**INTRODUCTIONS**

West National Avenue is an urban 4-lane, undivided principle arterial in the City of Milwaukee and Connecting Highway STH 59. The project is being proposed to address the pavement condition and safety of the roadway. West National Avenue was last rehabilitated in 1992 with a 3.5-inch asphaltic overlay and is showing signs of failure.

The proposed improvement consists of the replacement of 2.6 miles of the existing roadway, curb & gutter, and sidewalk. The project will also include replacing undersized storm sewers, driveway aprons, street lighting, traffic signals and non-ADA compliant curb ramps.

## PROJECT OVERVIEW

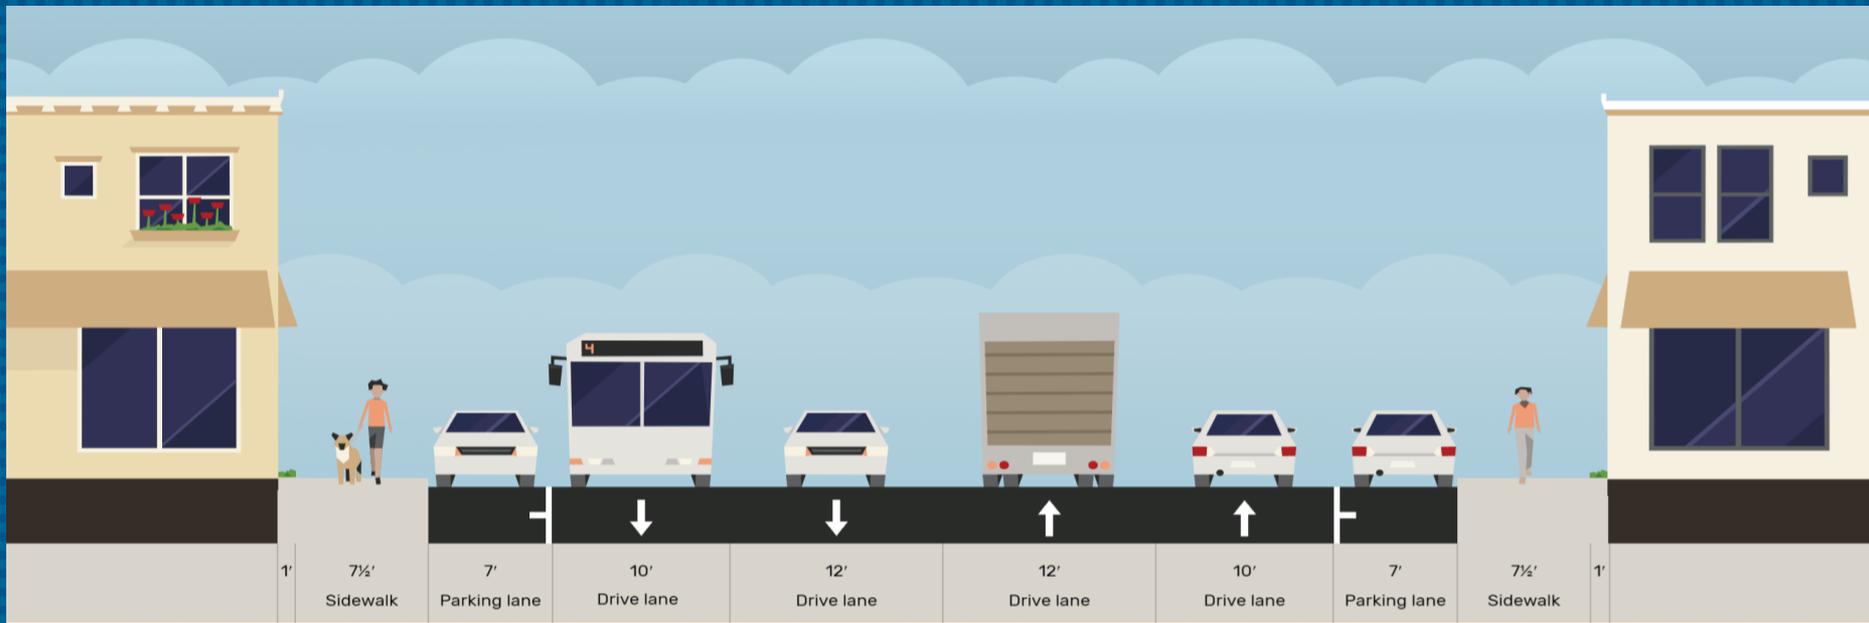

- ❑ Construction estimated at \$20M - \$25M
- ❑ Some real estate will be required
  - ❑ Temporary limited easements (TLE) for curb ramps and driveways
- ❑ STH 59 is an Oversize/Overweight (OSOW) Truck Route
- ❑ STH 59 is a MAP-21 NHS Principal Arterial

The National Highway System (NHS) includes the Interstate Highway System as well as other roads important to the nation's economy, defense, and mobility. The NHS was developed by the Department of Transportation (DOT) in cooperation with the states, local officials, and metropolitan planning organizations.

**PROJECT OVERVIEW**

# Goals for the Project:

- ❑ Replace deteriorated pavement to improve ride
- ❑ Improve safety for all users
- ❑ Improve speed limit compliance
- ❑ Decrease crash rates and crash severity

***A GOOD ROADWAY CAN BE VISUALLY APPEALING AS WELL AS FUNCTIONAL AND SUSTAINABLE***

**November 2020 - PIM #1**

Notify property owners and stakeholders of the project, gather information regarding issues, concerns, goals

**May 2021 - PIM #2**

Present feasible alternatives developed including options with reduced lanes, removed parking, bike lanes, wider sidewalk, etc. to obtain feedback

**November 2021 - PIM #3**

Present preferred alternative and any feasible options remaining to obtain final feedback to complete environmental documentation

**May 2024 - PIM #4**

Present preliminary plans, construction staging plans, access changes, etc to obtain feedback on potential construction concerns

**PUBLIC INVOLVEMENT**

## NATIONAL AVENUE RECONSTRUCTION PROJECT PUBLIC SURVEY

The City of Milwaukee wants your help to set the vision for the new National Avenue from South 39<sup>th</sup> Street to South 1<sup>st</sup> Street. The goal is to work with partners, residents, and businesses to create a plan that will improve the health and safety of the community, create a sustainable corridor that reflects the unique neighborhoods it runs through, and encourage walking, biking and taking transit. Please help us understand your experience while visiting and traveling along National Avenue, and what you would like to see improved, by completing this short survey and returning it with the comment card in the enclosed envelope.

Which of these best describes your interest in this project?

- I live on National Avenue  
 I visit National Avenue for entertainment, recreation, social activities, or shopping  
 I own a business on National Avenue  
 I work on National Avenue  
 I take National Avenue as a route to get to other places  
 Other: \_\_\_\_\_

How do you travel to or around National Avenue? Check all that apply.

- Walk    Bike    Drive    Bus    Taxi/Uber/Lyft    Mobility Device

Thinking about street traffic, how safe do you feel when traveling on National Avenue by these options?

	Very Unsafe	Unsafe	Neutral	Safe	Very Safe	NA
Walking/Crossing the street	<input type="radio"/>					
Riding a bike	<input type="radio"/>					
Driving a car	<input type="radio"/>					
Riding in a car (passenger)	<input type="radio"/>					
Getting in or out of a car/bus	<input type="radio"/>					
Mobility device	<input type="radio"/>					
Other:	<input type="radio"/>					

Thinking about street traffic, how often do you see or experience the following problems on National Avenue?

	All the time	Often	Occasional	Rare/None
Motorists speeding	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
People driving in the parking lane	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Motorists not stopping for people trying to cross the street	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Are crosswalks conveniently located?  Yes  No

If no, please provide location(s) to consider? \_\_\_\_\_

Do you feel there is sufficient time to cross the street at a signalized intersection(s)?  Yes  No

If no, which intersection(s) is difficult to cross? \_\_\_\_\_

Is there an area where you or others cross the street that is mid-block or not in a crosswalk?

Location(s): \_\_\_\_\_

Where is it difficult to walk along or cross the street on National Avenue? Can you provide 3 locations?

Write-In: National Avenue and \_\_\_\_\_

Write-In: National Avenue and \_\_\_\_\_

Write-In: National Avenue and \_\_\_\_\_

Is there a location that is difficult to see oncoming traffic or individuals due to blocked visibility? \_\_\_\_\_

1

## WEST NATIONAL AVENUE RECONSTRUCTION PROJECT COMMENT CARD

PROJECT ID: 2410-10-00

We want to hear from you! Tell us about your safety concerns and priorities.

Your feedback will help us make improvements to National Avenue that will serve the neighborhood and traveling public for years to come!

Comments can be emailed to [dtapia@milwaukee.gov](mailto:dtapia@milwaukee.gov)

If you would like to stay involved and receive project updates, please share your contact information.

PUBLIC INPUT

- Comprised of local government staff, elected officials, citizens and businesses near the National Ave corridor
- Selected to provide representation for the entire STH 59 corridor
- Committee members are local contacts for citizens with questions, comments or concerns about this project
- Ensure that investments of this project benefits area residents, communities, and stakeholders
- Represent opportunities for community participants to contribute toward the project while a part of the decision-making process in Milwaukee
